Introducing the Milwaukee Lionel Railroad Club's 27th Club Car

This is Our 75th Anniversary Edition—Limited to 200 Cars
The Milwaukee Road-Delafield Brewhaus Woodside Beer Reefer

This is a limited production club car and may not be available to those who do not order in advance. The car production is limited to 200 units. Expected delivery is December 2021. The car discreetly celebrates the 75th anniversary of the Milwaukee Lionel Railroad Club which is January 2022.

The Beer Reefer is based on the Lionel® woodside milk car design with our custom graphics. The decoration is based on logos from the Delafield Brewhaus in Delafield Wisconsin. It features orange sides, maroon ends, doors, and roof, and extensive black trim. The car features die cast trucks with operating couplers with hidden tabs and a removable roof with internal refrigeration tanks. The label from the Sommerzeith hefe weizen beer and the brewery's coaster design are featured in a 1930s motif.

The Milwaukee Road Woodside Beer Reefer Features Artwork From the Delafield Brewhaus in Delafield, Wisconsin

The Delafield Brewhaus was born from the idea of four local beer enthusiasts. In 1998, they broke ground and nearly a year later their dream of having Lake Country's first brewery was realized! The museum-quality "Brewerania" that adorns the walls of the interior is from a private collection of one of the owners. In the front corner of the restaurant and brewery, you will notice our barrel rooms, one of which is our Stammtisch or "Owner's Room" where friends and families can meet and enjoy a delicious meal, a tasty pint, and good fellowship. The barrels themselves come from the Stevens Point Brewery, built in the late 1800s. They were delivered to The Brewhaus intact on a flatbed semi-trailer, and then later crafted into these special rooms. You will also notice large pieces of the historic beer vessels decorating the walls in the dining room, bar area. The Delafield Brewhaus is located at 3832 Hillside Dr, Delafield, WI 53018. Phone: (262) 646-7821.
